

2023-2024 DUAL STREAM RECYCLING PICKUP CALENDAR

Thank you for your time and effort to sort properly. In 2022, only 10% of what our dual stream recycling trucks collected was contaminated (meaning not recyclable).

Keep up the good work, and together will get that contamination rate down to zero!

PAPER CART (brown cart with blue lid) is for clean paper and cardboard recyclables only. **PUT YOUR PAPER CART OUT ON THE BLUE WEEK.**

EL CARRITO DE PAPEL (carrito marrón con tapa azul) es solo para reciclables de papel y cartón limpios. Ponga su carrito de papel en la semana azul.

CONTAINER CART (brown cart with brown lid or all blue cart) is for clean bottles, cans, and plastic container recyclables only. The all brown carts will be phased out in the next few years to all blue carts.

PUT YOUR CONTAINER CART OUT ON THE BROWN WEEK.

EL CARRITO DE CONTENEDORES (carrito marrón con tapa marrón o carrito completamente azul) es solo para botellas limpias, latas y contenedores de plástico reciclables. Todos los carros marrones se eliminarán gradualmente en los próximos años a todos los carros azules. Ponga su carro de contenedores en la semana marrón.
