

Mixed Recycling Guide

Please mix recyclables into your cart and roll it out to the street by 6:00 a.m. on your regular recycling day.

Mixed Paper and Cardboard

Newspaper and inserts

Mixed paper – Including junk mail, magazines, catalogs, paperback and phone books

Office paper – Including white & colored, envelopes with or without windows

Paperboard – Such as cereal boxes (remove liners) & shoe boxes

Corrugated cardboard – Please flatten into 4' x 4' bundles for easy disposal

Do not include: soiled paper, wax or plastic coated paper, tissues, paper towels, photographs or hardcover books

Milk Cartons and Juice/Rice/Soy Containers

Please rinse and empty before recycling. Remove plastic pop tops and straws.

Milk cartons

Drink boxes – Including juice, soy and rice milk containers and other aseptic packaging.

Juice concentrate containers

Glass Bottles and Jars

Food and beverage glass – All clear and colored food and beverage bottles and jars.

Please rinse before recycling. No need to remove labels, but DO remove caps and corks.

Do not include: ceramics, Pyrex, stemware, light bulbs, window glass or mirrors.

Plastic Containers

Plastic Containers

Please rinse and empty before recycling. No need to remove labels, but DO remove caps.

Food and beverage containers – All containers with the plastic recycling symbol numbers 1 through 7. Most common types are plastic milk, soda and water bottles. Empty shampoo and detergent bottles are also OK.

Do not include: Styrofoam, plastic bags or PVC pipe.

Metal Cans

Aluminum Cans

Steel Cans

Tin and bi-metal cans – Aerosol & metal paint cans are accepted if completely empty and dry.

Please rinse and empty before recycling. No need to remove labels.

Do not include: scrap metal, propane tanks, hangers or containers with liquid.

Important Note: No garbage, yard waste or hazardous wastes in the carts.
